Special COMPANY & FUN TRIATHLON offer

VIDEO PRODUCTION + PUBLISHING

As a media house we offer professionally designed videos of any kind (image, job applications, products, etc.) for our clients.

Many advertising agencies now offer the service of video production, but they do not have the reach to reach customers or business partners.

We, on the other hand, can bring you directly to the customer on our numerous platforms (print, meinbezirk.at, social media).

And that too at a sensational special price - no agency can do that!

Briefly outlined are the details:

Video with a maximum length of 3 minutes

Free use on your channels (social media, website, etc.)

Playout (incl. online PR) on meinbezirk.at

Short version for social media (max. 30 seconds)

Playout on our Facebook page

Price: instead of € 1.530 (excl. 20% VAT) only € 899 (excl. 20% VAT)
